The URP Act Section 47 further stipulates that, where a Local Authority does not have capacity to prepare an IDP, it shall be assisted by larger council(s) and or a Provincial Planning Authority. Chipangali and Kasenengwa Town Councils have resolved to collaborate with CCC to prepare a Joint Integrated Development Plan (JIDP) under the overall supervision of the Eastern Province Provincial Authority (EPPA). pursuant to Section 47(1) of the UPR Act No. 3 of 2015 of the Laws of Zambia, Chipata City Council, Chipangali and Kasenengwa Town Councils, represented by the Eastern Province Planning Authority, are legally mandated to prepare a JIDP.

The purpose of this JIDP is to provide an overall development framework to coordinate planning and budgeting functions of the three local authorities for our District working in collaboration with government sectors and donor agencies, Civil Society Organisations (CSOs), and the private sector to improve the quality of life for residents.

With the joint integrated plan Development Plan in place and the scope of Constituency Development Fund expanded by the New Dawn Administration under the leadership of Mr Hakainde Hichilema President of the Republic of Zambia, I am confident that the much needed development will be realised in Kasenengwa District.
