Executive Authority:

Controlling Officer: Programmes under which this Council will be accounted for by the Council Secretary, Kasenengwa Town Council

The Council plans to disseminate fisheries and livestock marketing information for the citizens to make informed decisions on the prices of livestock and to provide informed data on key players in the industry. In the same vain, we will conduct two (2) entrepreneurship trainings to 150 fisheries and livestock farmers in Chiparamba and Kwenje wards. The district will show-case livestock and fisheries products and services through its participation and coordination of the district and provincial agricultural shows which will be held once in the year.

In order to improve animal health services, the Council through the Veterinary services will conduct Eight (8) sensitization meetings in all wards, coupled with vaccinations of 200 dogs against rabies and deworming of 40,000 animals (cattle, goats, pigs and sheeps) additionally 80 percent of the animals will be dipped/sprayed. The officers will conduct four (4)surveillance and enforcements throughout the district to ensure that animals being transported have the necessary documentation.

Furthermore, Twenty four (24) backstopping and monitoring visits will be conducted in all the six camps (Kwenje, Kalichero 2, Chiparamba, Kamlaza, Mtenguleni and Katondo) to provide technical advise and randomly collect samples to test for pathogens. Sensitization in animal identification and traceability will be conducted across the district and we plan to brand 80 percent of the animals across the district to reduce on animal theft.

Revenue will be collected from livestock movement permit a target of 95 percent and Ninety percent from slaughter permits.
Extension services will be provided to all fish farmers through trainings in aquaculture which targets 150 farmers and cooperatives across the district and twelve (12) backstopping and monitoring activities will be conducted two in each camp. We also plan to hold Four (4)demonstrations in Makungwa and Kalichero on imtegrated fish farming and we will conduct five (5) patrols across the district to ensure that appropriate fishing gears are used in the dams.

Extension services will be provided through training of 600 farmers across the district on pasture production and rangeland management which is expected to be increased to 14,390 hectares. After which one rangeland committees will be strenthened and five more established. Four (4) field days have been planned once each quarter to encourage peer to peer learning among the farmers. Hundred and Fifty (150) livestock farmers will be sensitized on the importance of adopting indexed weather based insurance.
